

Dive Officers Spiel Jun-Jul-Aug 2022

Finally, winter is coming to an end, although I feel like we have been in wintry conditions, since January. The weather has been ordinary on weekends, and the sea conditions have been pretty ordinary.

Having said that, we have managed to get in a few weekend dives in. A really great shore dive at Shelley beach, by Wayne, Diego, and myself. I was a bit weary of this day, but with guidance and a lift from Wayne, we parked at the beach access and unloaded our gear. After getting drowningly wet due to rain prior to the dive, we geared up and waddled to the water. 80 mins later we returned to the beach. Many photos later.

A few weeks later Wayne and Diego headed back to Shelley beach, but the dive wasn't as enjoyable as before. Water vis was not as good.

Later in August Ross, Susan, and Richard braved the cooler waters of Clifton Gardens, as a shore dive.

We managed to get in a bowling competition where I had to surrender the title to Big Mal. I managed to hold it for 11 years. The prior bowl night was in 2011. Not sure what happened to the other 10 years.

Coming up in September is a club trip to Lady Elliot Island with 12 keen participants. There is talk of a dive trip to Jervis Bay.

Then there is our annual dive trip to Ulladulla this year. Christmas and new year's fireworks on the south coast. Come join us.

Let's get wet soon.

Ken

Diving Officer.
