

## Social Officer's Report

Hi Rucites

As always, the Social scene has been very active over the past few months.

Saturday 11th March Dinner saw 14 people dine at Borelli's Italian restaurant Epping. We were on holiday on the Murray River but I'm told a great night was had by all.

Our next adventure for 8 intrepid Rucites was a Ferry Pub Crawl on Saturday 1st April commencing at Meadowbank wharf just after 9.00am. We slowly cruised out way to Barangaroo wharf. It was too early for beer, so we decided to have coffee. Unfortunately, during coffee, we were met with rain, so we then boarded the ferry to Circular Quay where we went to the Ship Inn for our first real drinks. As it was raining quite heavily, we decided to have lunch at The Rocks and forget about going to Manly. We had a very nice Italian lunch and as the rain stopped decided to go for a walk back to Barangaroo for our return journey by going under the Harbour Bridge and following the water's edge.

Saturday 20th May saw us having our 42nd Anniversary Dinner at Club Parramatta. Over 35 people attended coming from as far as Kings Park (just south of Ulladulla) and as far north as Taree and Wauchope. Food was good and everyone had a most enjoyable time.

We have now just come back from another successful June Long Weekend. The great tide times meant we decided not to take the boat this time and enjoy the well timed shore dives at Fly Point. Dive reports will follow separately. 25 of us decided to dine at the Golf Club on Saturday night and the Bowling Club on Sunday night. General consensus seems to be the Golf Club as the better meal. Those lucky of us to stay Monday night walked up to West diggers for dinner which was pretty good as well.

At this stage we intend to have our annual Ten Pin Bowl night followed by dinner on Saturday 29th July. It's time to see if Mal Whittaker has what it takes to keep the BIG BOWLING PIN ☺  
More detail to follow at a later date.

The Sydney Boat Show opens in Sydney in early August so for those boat enthusiasts (and there are a few of us) keep your eyes open for further details.

We still have 2 sites available for this coming Dive trip to Moruya over Christmas. If interested, please let me know.

See you on the water soon.

Kind Rgds

Peter Hardman
